About Me

"Experienced web developer with a strong foundation in front-end and back-end web development. Proficient in a wide range of programming languages, frameworks, and tools, including HTML, CSS, JavaScript, React, Node.js, and SQL. Skilled in creating responsive, user-friendly websites and web applications that meet client needs and industry standards. Adept at collaborating with cross-functional teams to deliver high-quality projects on time and within budget. Committed to staying up-to-date with emerging web technologies and continuously improving skills to deliver innovative web solutions."
